Serving Metro Atlanta, Georgia

One Brand. Two Specialized Service Lines.

ShinePoint Service Corp provides professional solutions to care for, prepare, and transform spaces across Metro Atlanta.

01 PROPERTY MAINTENANCE & MAKE-READY

Reliable support for property managers, Housing Authorities, multifamily communities, and property owners who need functional, presentable, move-in-ready spaces.

02 DECORATIVE WALL COVERINGS

Decorative wall coverings that bring style, texture, and personality to interior spaces.

OUR STANDARD

- Professionalism
- Reliability
- Clean Execution
- Attention to Detail

Our Core Services

Two specialized service lines focused on caring for, preparing, and transforming spaces.

01 Property Maintenance

Reliable ongoing support to help keep properties functional, presentable, and well maintained.

Consistent service, clear communication, and reliable follow-through.

02 Make-Ready & Unit Turnovers

Preparing vacant units for the next resident through repairs, touch-ups, painting, and finishing work.

Efficient coordination to get units ready with less delay and fewer vendor headaches.

03 Decorative Wall Coverings

Decorative wall solutions designed to bring texture, character, and a more distinctive look to interior spaces.

High-impact wall transformations without the need for a full renovation.

A Partner You Can Count On

Reliable communication. Professional follow-through. Quality work.

THE RELIABLE PARTNER

Professional, organized,
responsive, and focused on
solutions - with the goal of
making projects easier to
manage from start to finish.

PROFESSIONAL • ACCESSIBLE

SOLUTION-ORIENTED • DIRECT

OUR PROCESS

01 ASSESS

Review the property, project needs, and desired outcome.

02 PLAN

Define scope, materials, finishes, and expectations.

03 EXECUTE

Complete the work with attention to detail and cleanliness.

04 FINAL WALKTHROUGH

Review final details and prepare the project for delivery.

FROM FIRST CONTACT TO FINAL WALKTHROUGH

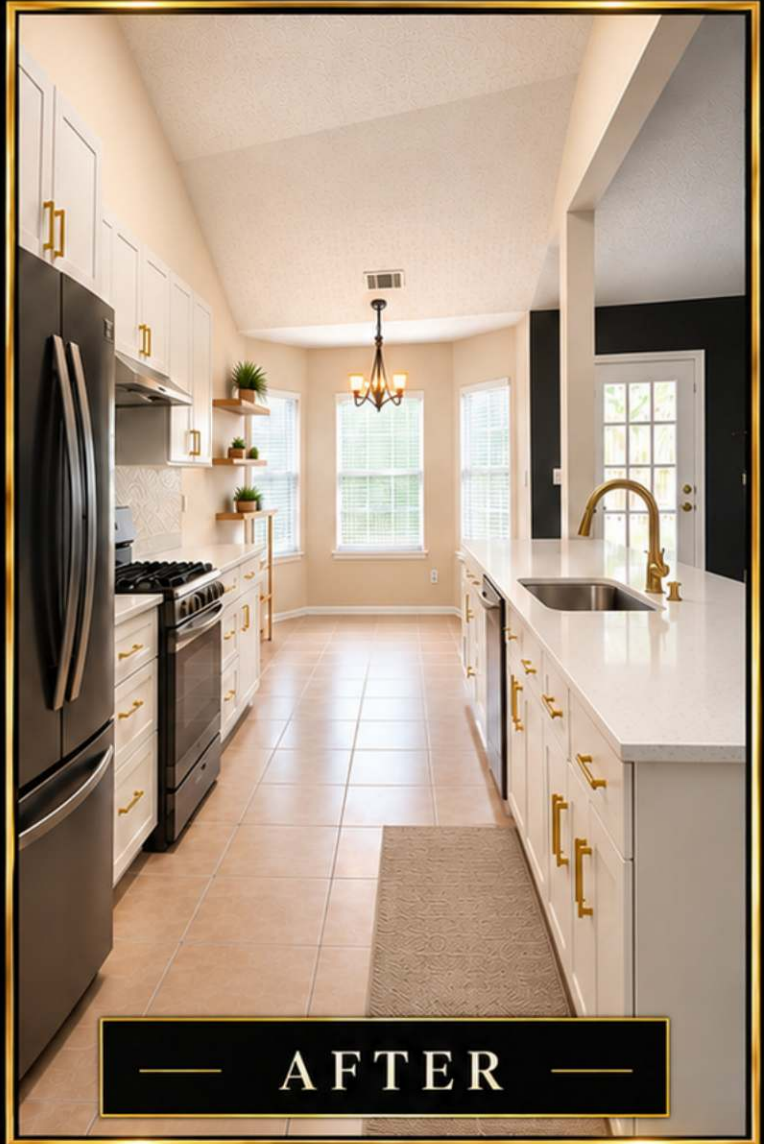

Clear expectations. Clean execution. Consistent follow-through.
